

# #BUZZ@IPGS

Growing Minds, Building Futures!

SESSION  
2025-26

APRIL TO  
SEPTEMBER

IPGS embodies an education which is rooted in experience, fosters citizenship values and reflects a growth mindset. It is our firm belief that interests, abilities, and experiences of students must guide the learning process. Experiential learning; hands-on activities, experiments, field trips, excursions and real-world problem-solving activities helps our students connect theory to practice.

Our new initiatives like *Better Version of Me*, *Thinking Thursday*, *School Cinema*, *Speak to Lead*, *TEDx IPGS Noida Youth*, and *Troo* for linguistic proficiency, are aimed at preparing our learners for both personal and civic life.

Success in the 21st century is no longer defined by academic achievement alone. While a strong foundation in subjects like Math, Science, Social Science and Languages is important, it is the development of key personality traits such as resilience, adaptability, communication skills, empathy, and leadership that truly shapes a student's future.

Nikita Tomar Mann  
Principal

## A note from the desk of the Headmistress- Senior Wing

**Ms. Alka Sharma**

"Challenges are what make life interesting; overcoming them is what makes life meaningful." — Joshua J. Marine.

These timeless words beautifully reflect the spirit of Indraprastha Global School. Education here is a meaningful journey that nurtures intellect, values and the human spirit. We welcome learners from diverse backgrounds, offering them two priceless gifts — roots and wings. Their roots lie in strong values and cultural heritage, while their wings are strengthened by creativity, confidence, and compassion.

For us, excellence is not an end we arrive at; it is a way of being, a continuum of growth and grace. As you turn these pages, may you see not just milestones, but a community that lives with gratitude, aspires for greatness, and moves forward with faith in education.

## Student Speak

They say that some places are easier to visit in memory, for only then do you truly savour them. It is on that poignant note that I remember a two-year-old me first venturing into a new chapter of my life at Indraprastha Global School. It has been 13 long years since that first day, and to say that it has been a remarkably prodigious experience would be a gross understatement. To me, Indraprastha Global School is a second home, one that cherished and nurtured me, helping me grow, flourish, and mature into an individual who is rational, diligent, and most importantly, responsible in life. Over time, numerous features and technologies were introduced, but the school never forgot or forwent its greatest strength, its impressive and stellar cadre of teachers. No matter what a school may offer, it is nothing without its teachers, and in this regard, Indraprastha Global is truly unparalleled.

I have infact spent some of my most cherished moments with it. I have seen the school grow just as much as it has seen me grow, and throughout this journey, it has consistently lived up to, and even surpassed, my expectations.

I shall miss this truly exemplary institution upon my graduation. In retrospect, Indraprastha Global School has unfailingly upheld its ethos, remaining steadfast in its noble mission to educate and empower every child, thereby truly exemplifying its motto, 'Growing Minds, Building Futures'.

Grade XII

## THE REAL WORLD CHALLENGE

Leaders In Action  
July 11 - 12

In collaboration with Educis, students participated in 'The Real World Challenge', a two-day workshop that simulated real-world systems through house-based roles in Business, Justice, Politics, and Media.

# CATALYSTS OF GROWTH

*"Learning is not attained by chance, it must be sought for with ardour and diligence"*

## EXPRESSIONS OF LEARNING AND REFLECTIONS

“

The capacity to learn is a **gift**; the ability to learn is a **skill**; the **willingness** to learn is a choice

”

# SYNAPSE 1.0

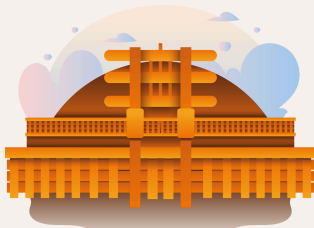

A Spark of Scientific Synergy  
August 02

The campus brimmed with innovation and creativity as IPGS unveiled its much awaited Science Exhibition.

## EDUCATIONAL EXCURSION TO PACHMARHI, BHOPAL AND SANCHI STUPA - A UNESCO WORLD HERITAGE SITE

September 24-28

## A note from the desk of the Headmistress - Primary Wing

Ms. Vinita Maheshwari

Dear Parents

It gives me immense joy to see our young learners growing each day with enthusiasm, curiosity, and confidence. Their bright smiles and eager minds remind us of the beautiful journey of learning that we are all a part of together. As parents, you play an invaluable role in shaping your child's attitude towards learning. Your encouragement, patience, and involvement make a world of difference.

Let us continue to work hand in hand to nurture not just academic excellence, but also compassion, resilience, and integrity in our children. Know that the teachers and I are always here to support and care for the children. We believe in their dreams and abilities. Let us guide them to walk each day with confidence, learn with joy, and let their heart be full of kindness and courage. Together, we will make their school journey meaningful and memorable.

Let us create an environment where every child feels loved, supported, and inspired to give their best. With your continued trust and cooperation, I am confident that our students will keep shining brightly and make us all proud.

**EARTH DAY**  
April 22

To commemorate Earth Day an inspiring assembly was organized to showcase creative performances and thoughtful messages by students. A meaningful and engaging plantation drive was carried out by Grade 5 students to inculcate environmental awareness and a sense of responsibility towards nature.

## International Labour Day May 01

This International Labour Day, we celebrated the spirit of hard work and gratitude with a heartwarming chabeel (refreshing drink stall) stationed at the school gate, where students offered home-made refreshing drinks to the passers-by and the support staff of the school.

It was a small yet meaningful gesture to honour people who work tirelessly towards keeping our surroundings clean with care and dedication.

# SHIN EDUPOWER

The Shin Edupower Programme, a Japanese-style experiential learning initiative for students of grades I – III, is aimed at nurturing not just intellect, but also logical reasoning, critical thinking, and character development.

## Educational Excursion

Students enjoyed an exciting excursion to Kidzania, where they explored various professions, developed valuable life skills, and participated in engaging hands-on activities. 🎯

It was a day filled with fun, learning and unforgettable memories!

## MOTHER'S DAY CELEBRATION

May 10

Celebrating the heart of every home

Our Wonderful Moms!

Mother's Day was celebrated with great joy and heartfelt gratitude through a vibrant event titled

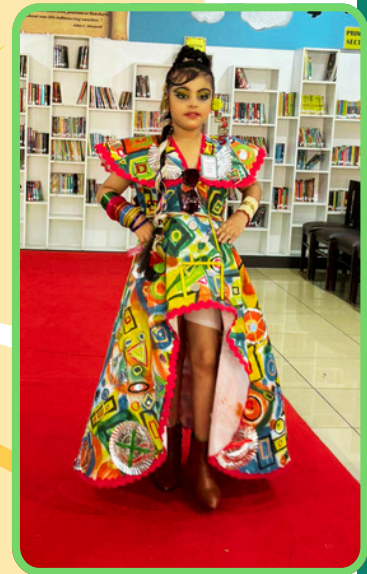

"Symphony of Love – An Ode to Motherhood."

# Applauding Excellence

Intra-class competitions are more than just a contest; they are a celebration of creativity, teamwork and learning. Students showcase their unique talents while building essential life skills such as confidence, critical thinking, problem-solving, collaboration and team spirit.

## Cognitiva-3.0

August 22

The Primary Wing proudly hosted an Inter-school extravaganza, the 3rd edition of COGNITIVA. With the participation of over 25 prestigious schools and 350+ young learners, the event turned into a vibrant celebration of creativity, collaboration and critical thinking.

# FOUNDATIONAL YEARS

The Foundational Years mark the first steps of a child's learning journey, where curiosity and confidence begin to grow. Through stories, songs, celebrations and circle time, children learn with joy while nurturing Indian values, friendships and creativity, building the foundation for a bright tomorrow.

*We stand committed to nurturing our students' growth; academically, socially, emotionally and creatively to help them thrive in all domains of life.*

## Special Assemblies

*At IPCS, PN to Grade 2 assemblies are a joyful start to learning. With participation of every child, these assemblies build confidence, stage presence, and self-expression.*

Term 1 was joyful for our students, as they celebrated Baisakhi, Earth Day, Labour Day, Mother's Day, Friendship Day, Raksha Bandhan, Independence Day and Janmashtami. They took part in fun activities like storytelling, fancy dress, and zero-heat cooking; making salads, sandwiches, laddoos and lemonade.

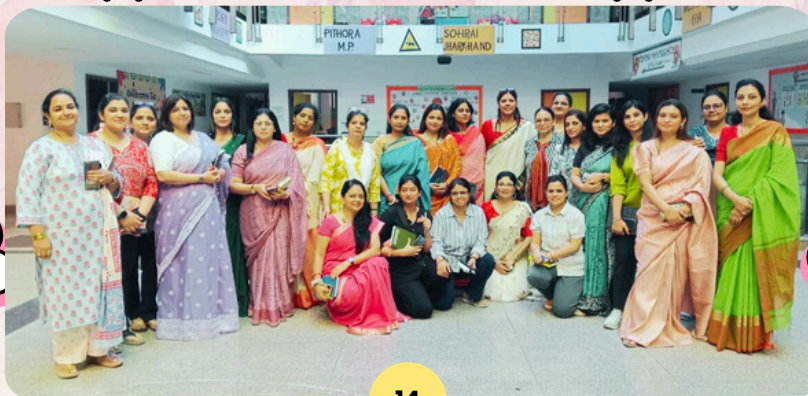

Themed days like Red Day, Green Day & Mango Day added extra colour & cheer to their learning journey.

## Montessori Training Workshop

"In learning you will teach, and in teaching you will learn"

Our little ones joyfully celebrated Grandparents' Day, expressing their love and gratitude through their heartfelt performances.

A lively fun-filled Field Day, with games, laughter, and exciting outdoor activities.
